Popular writer, Izutsu Touki, lived away from his younger twin brother Kazuki. On the day of his brother's obituary hearing, Touki finds out he will be living with his younger brother's son, Ryouta.

Young Ryouta thinks Touki is his father but Touki, inexperienced in child care, struggles.

One day, by chance, Touki saw blond haired Kuramoto Yui (Natchi) in a daycare, brilliantly and vividly interacting with children. Ryouta would attend that daycare...!

False single father Touki and Ryouta plus daycare teacher Natchi heartfelt story first volume!
